Michigan's Largest
Macintosh User's Group

What is MacGroup-Detroit?

At MacGroup-Detroit you'll find a wealth of resources—including over 300 knowledgeable people, comprehensive meetings, and a wide variety of applications—that will help you get your job done faster and better. MacGroup was founded August 24, 1986 with you, the user in mind, so whether you are a brand new Macintosh user or an expert, MacGroup has something to offer you.

The members of MacGroup-Detroit meet regularly—usually on the third Sunday of the month at 3:00 P.M. We come together to see demos of new products from such companies as Adobe, Apple, and Microsoft. We share ideas, network, and troubleshoot our problems. MacGroup-Detroit meetings are usually held at The Birmingham Temple in Farmington Hills. The main MacGroup meetings start at 3:00 P.M. and last to about 5:00 P.M. The Genius Table is open from 2:00 P.M. until 3:00 P.M.

Our monthly newsletter, MacNews is also a highlight of being a MacGroup member. MacNews is published monthly and is full of helpful articles, reviews and tips. MacNews is a great place to advertise your services and extras.
